

APC Leadership Luncheon Lecture Series (#3)

“Educating for Global Citizenship”

President Chatt Wright addressing the audience during his speech at the 3rd Leadership Luncheon Lecture.

September 10, 2009 marked APC’s Third Leadership Luncheon Lecture held at the Willows Restaurant in Honolulu, Hawaii. This year featured guest speaker Chatt Wright, President of Hawaii Pacific University, talking about HPU’s mission and ethos to educating for global citizenship. He presented on the history of HPU and the institution’s continued involvement with students from more than 110 countries around the world. Mr. Wright’s accomplishments span an impressive list of endeavors over his more than 30 years with HPU since becoming its President in 1976. It is because of this leadership that led HPU to its position today as the largest private college in Hawaii. All fifty-one of those in attendance were most impressed by President Wright and all that he has done for HPU. We thank you for their participation and his inspiration, and look forward to many more lectures in the years to come.

Those in attendance included members of Honolulu’s business, government, and academic communities.

Congratulations to the First Cohort Graduates!

Asia Pacific College had the privilege of granting degree diplomas to five outstanding candidates in the Master of Arts in Intercultural Leadership Program this past June, 2009. With the completion of their Independent Study and accepted Scholarly Papers in the spring semester, all five remaining students finished their studies with distinction and exceptional academic records. APC would like to congratulate these first cohort graduates for their hard work in professional leadership advancement: Ms. Mi Sook Ahn (Magna cum Laude); Ms. Hyun-Joo Kim (Cum Laude); Ms. Sung-Hye Park (Magna cum Laude); Mr. Piyush Sehgal (Cum Laude); and Mr. Yang-Seok Fred Yoo (Summa cum Laude).

that will be delivered in order to develop and facilitate future online communication. Scheduled itineraries included general and technical information sessions, a luncheon with faculty and board members, followed by two days of individual sessions on each course with the instructors. Not only was the orientation beneficial to all who attended, but it also gave the students the opportunity to meet face-to-face with their fellow classmates and professors. Videos of these orientation sessions can be viewed online at APC’s website (www.apchawaii.org).

Second Cohort Onsite Orientation

With the completion of the first cohort, APC is proud to welcome the next set of students to embark on their journey through the MIL Program. The second cohort of ten students began their studies this summer with a mandatory Onsite Orientation event held in Honolulu, Hawaii from June 8 – 10, 2009. The purpose of this orientation was to provide an opportunity for the new students to meet with the faculties and get acquainted with the courses
